OTAWA LODGE

OTAWA LODGE is surrounded by native bush in a peaceful setting at the far end of Manoeka Road, Te Puke.

OTAWA LODGE has streams to play in and bush tracks to walk (one leading up to the old Te Puke Dam site). There is also a small bush chapel close to the lodge where you can sit and reflect or listen to the native birds.

At night you can search the banks around the bush chapel for twinkling glow worms.

Otawa Lodge has an obstacle course, which is always popular with the children. Please take care on the course and ensure appropriate supervision.

FACILITIES

- 16 bunks upstairs, six beds downstairs and a small chalet outside which sleeps three. There are extra mattresses bringing the total accommodation capacity to 32.
- large well-equipped kitchen & dining room area which opens out onto a deck for outdoor living.
- large lounge with a solid fuel heater.
- toilet block with showers—a Marshall heater needs to be lit to heat the hot water.

- small area for camping plus barbecuing.

OTAWA LODGE is close to other places of interest for day trips e.g. Kiwi 360 & the beautiful Mount Maunganui beaches. Brochures are available in the lounge.
